Snowy Manaslu Circuit Trekking

Altitude: **5,215 Meters**, Duration: **17 Days**, Grade: **Fairly Strenuous**

Overview:

"Experience the majestic lifestyle of typical Nepalese mountain people and explore the wonderful and magnificent geography, mountain views, flora and fauna toward the off-the-bitten route in Manaslu circuit with exclusive Larkya Pass trekking."

[Manaslu Circuit Trekking](#) is suitable for all moderately fit trekkers, which requires no previous experiences in trekking. To condition yourself for the trek, some physical fitness programs such as walking, running, swimming, and hiking are recommended before you embark on your journey. Any person suffering from a pre-existing medical condition or diseases must seek medical advice before considering any trek. Trekking around Manaslu offers a unique opportunity to experience a reasonably untouched region of Nepal. This region of Nepal sees few trekkers gradually increasing now though, which makes a visit here more exclusive and unspoiled. [Manaslu Circuit trekking](#) has been open since 1991 AD. It provides spectacular beauty along the border of Nepal and Tibet and is now a restricted/protected trekking route which allow for the organized trekking through trekking agencies like Snowy Horizon Treks requires the special permits to gain entry into this region to venture round its spectacular circuit.

[Manaslu Trekking Area](#) has a unique environment, which is exceptionally rich in bio diversity that has made this region one of the finest tourist destinations of [Trekking in Nepal](#) for many years. The majestic Himalayan ranges in this area consist of cultural diversities and natural scenery with high altitude romantic glacier lakes and fascinating flora and fauna. All features of this region have made it one of the most well liked places of Nepal. Team Snowy Horizon provide the best possible teahouses accommodation with experienced, trained and certified trekking guides along with strong and honest porters while you choose the trekking as teahouse trekking or professional complete camping service with comfortable two person tents, good mattresses, a kitchen, dining, shower, toilet tents, chairs with tables etc. if you intend to experience the Camping Trekking along the [Manaslu Circuit Trekking](#) with Larkya La Pass.

We usually camp in or near a village, which allows you to buy chocolates and drinks, which we do not carry with us, we provide a limited amount of toilet paper and facilities for hand and face washing before meals, you will also get a bowl of hot water each morning in your tent for a quick scrub up, Team Snowy Horizon offers expert camping cook to prepare specially requested food as per your advice during the [Manaslu Circuit Camping Trek](#). However these days the route is with full of nominal teahouses and lodges having continental meal and better accommodation offering to the trekkers. Thus the small size group from 2-15 people is to be easily managed for this trek with reasonable and affordable prices where as the camping trekking might be an expensive offer if the group size is small. September to December and February to May are the best seasons for this Round Manaslu Trekking.

The weather in the mountains is notoriously difficult to predict. At night it is generally cooler the days are generally warm. There will be snow during the month of December to February. It is important to make sure that you can stay warm and dry in just about any conditions. Expect the unexpected weather! The temperature could be as high as 20 deg. C to -10 deg. C low. For the experienced trekkers if you haven't done it before the [Manaslu Circuit trekking](#) through Larkya La Pass is strongly and highly recommended and Team Snowy Horizon is always eager to welcome you with big hands for the warmest services possible.
